

**Strategic Forum for Construction Toolkit Feedback**

This is the second version of the Strategic Forum for Construction Toolkit. This version has been revised to reflect feedback from previous consultations and is now issued for initial use and further consultation (particularly on the Supply Chain Integration: Chainlink material, much of which is being published for the first time). [See how the toolkit has developed](#)

In particular we would appreciate your views on any or all of the following:

**How much better is this version than the first version? (See Toolkit ["What's new?"](#) for details of changes)**

Significantly Worse      Moderately      No better  
Don't Know

**Are there areas which require further improvement?**

Yes      No      Don't Know

If yes, please provide details of the improvements you believe are needed

**Are you able to find the information that you require?**

Yes      Some      No

If you think there is information missing please provide details of what you would be expecting

**Is the content clear and unambiguous?**

Yes      Mixed      No

If you feel some of the information is unclear, please provide details of the sections which need clarification

**MUCH OF THE SUPPLY CHAIN INTEGRATION: CHAINLINK MATERIAL IS NEW.**

Is the content of this part of the toolkit appropriate?

Yes      Partially      No

**Were you able to navigate easily within the toolkit?**

Yes      Mixed      No

**Is it the right level of detail?**

Right level      Too detailed      Not detailed enough

**Are the right topics covered or are there elements which need attention?**

Right topics      Missing topics      Topics requiring revision

**If you believe changes are needed please provide details of the sections which need to be addressed**
